THE VALLEY OF BLESSING YOUTH CAMP, BOSNIA-HERZEGOVINA

TASTE OF HOPE: WHAT?! I CAN EAT AND BRING HOPE TO PEOPLE?

TELL ME MORE.....

Builders International partners together with our missionaries to orchestrate a LIVE, nationwide, multi-site, simultaneous dinner event with great fellowship and exquisite food to bring awareness and raise financial support for the projects that are Building Hope around the world.

Periodically check our events page at www.buildersintl.org for a dinner near you. If there is not a location near you, contact me and lets get one planned together. Creatively and together, we can see projects completed and lives changed and transformed!

THANK YOU FOR HELPING US AT BUILDERS INTERNATIONAL COMPLETE ANOTHER CHURCH IN HONDURAS

THE LORD OF HOSTS CHURCH WITH KEN HARRELL

Thanks to YOU, all funding has been provided to complete The Lord of Hosts Church in La Lima Honduras. Soon the building will be complete and it will be filled with children and adults experiencing the life changing power of God.

This children's ministry-focused church currently serves 100 children each week and is meeting under a borrowed carport. The new church building will make room for this growing congregation to reach even more children.

THE POWER OF CAMP

THE VALLEY OF BLESSING YOUTH CAMP IN BOSNIA-HERZEGOVINA

Imagine with me that it is illegal to share your faith with anyone under the age of 18. If that were true for us in the USA then I may never have stepped into a relationship with my Savior. At the age of 14, a loving and caring neighbor made sure I heard about the sacrifices that Jesus made for me.

In Bosnia-Herzegovina, sharing the gospel with anyone under 18 is illegal.

The Valley of Blessing Youth Camp opens the door to reach young people and is now expanding to double its capacity!

The Valley of Blessing Youth Camp is reaching young people with the gospel in a country where there are only approximately 500 protestant believers! Students come to this camp with written permission from their parents to hear the gospel! Many young believers will

encounter God and be called into ministry as future leaders of this first generation church! This project will double the capacity of the camp and give even more young people the opportunity to hear the gospel!

The new building is substantially complete and is housing over 700 students this summer who will hear the Gospel. God is good!!!!

FAMILY NEWS

DEANA AND I ARE GETTING OLD....

It feels as if we have traveled to the moon and back in the last couple years. We are so honored and blessed to be able to travel the globe and build places where people find HOPE! In the midst of all God is doing, we continue to see our kids flourish.

Every day is a blessing and a reminder of God's faithfulness and goodness to our family. As we grow older, our hearts grow more full as we see our kids mature and grow in their faith and operate in their gifts from God.

Kayla & Orry continue to flourish in ministry through worship @ Jubilee Worship Center as well as their non-profit, The Gear Up Project.

Jake & Hannah are loving serving at True North Church, helping with The Gear Up Project, and growing their property management company.

Julia is a junior in college at UAF and loving college life filled with ministry and friends. She is helping with Chi Alpha @ UAF, youth and worship @ Jubilee Worship Center, helping with The Gear Up Project, & dressing up as the mascot for UAF.

Taylor is now a junior in high school and is a new licensed driver, Lord help us! He loves hanging with friends, fishing, and serving at church. He just returned from Costa Rica with 60 students who shared the Gospel with kids, teens, and adults.

Drew is beginning high school and excited about his freshman year. He is faithful in serving in kids ministry at church, loves hanging with friends, and developing his gaming skills.
